Map to Success –

Be a Member of the Heritage Society

One of the wonderful ways you can leave a legacy to your alma mater is through a gift in your will such as **Angela Schiebel '36** did. Her gift helped Notre Dame Academy start the International Baccalaureate World School Program.

If you would like information on how to leave a transformational legacy gift and become a Heritage Society member contact Michael Downing, vice president for advancement, at mdowning@nda.org or call 419-725-1290. Already remembered us in your will? Please let us know!

Paving the Way to Always

Be the Best

The teachers are so encouraging and they really want you to succeed. Alexa '14

Our beloved Sisters of Notre Dame, Sr. Mary Krista Benda, Sr. Mary Irene Gerdeman, Sr. Mary Theophane, Sr. Mary Jon, Sr. Mary Godfrey, Sr. Mary Caroleen, Sr. Mary Delphine, Sr. Carol Gregory, and so many more, paved the way for today's outstanding faculty including Laura Gallaher, Gloria Denos, Trish Sanders, Jean "Miss Christ" Walker, the "Cousinator," and dedicated others. The Annual Fund supports the mission founded by the Sisters of Notre Dame and continues it strong today.

Give Someone the Same

Opportunity You Had

A click is worth a thousand words. Go to www.nda.org – Give to NDA and meet some of your fellow NDA sisters. *Give us 30 seconds to introduce you to the young women your gift could impact.* Let them inspire you to leave a legacy with your gift.

Notre Dame Academy
Alumnae Annual Fund

***NDA Alums Working
Together to Impact and
Touch Young Girls' Lives***

Help a Girl Grow into a Woman of Vision

My mother, aunt, and many of my cousins went here. It is nice to be able to walk in their footsteps.
Olivia '13

You are the inspiration and the key. If we hope for women of vision, if we hope for leaders and those who can transform individuals and society, then **it starts with you** -- with your gift to the **Notre Dame Academy Alumnae Annual Fund.**

The Annual Fund depends on the \$325,000 it generates to provide critical dollars to cover the difference between tuition and the actual cost of educating today's young women. Each year alums empower the lives of NDA students with their gifts that can be used in so many different ways.

The Annual Fund meets your alma mater's most pressing needs. **Your gift is an investment in young women** that:

- ◆ Provides alumnae scholarships and tuition assistance to qualified and deserving students
- ◆ Empowers young women with an exceptional educational experience
- ◆ Secures vital equipment for student use
- ◆ Insures the NDA tradition of the highest quality education

Join with Fellow Alums to Make a Difference

Every day I get encouraged to follow my dreams no matter what. Meredith '12

We need our alumnae to invest in our mission of educating and creating tomorrow's visionary leaders – women like yourself. *Every gift is an investment that touches girls' lives.*

The Annual Fund Supports Your Fellow Sisters

NDA is influencing me very much. I love being a part of not only a student body but a sisterhood of many generations. I love that I am carrying on my mother's legacy at NDA. Emily '14

The Annual Fund provides Alumnae Scholarships for young women such as Emily. She is a candidate for the new International Baccalaureate World Program (thanks to **Angela Schiebel '36** legacy gift) and plays three sports. Emily loves being part of the Notre Dame sisterhood and her Alumnae Scholarship helps make NDA affordable to her family.
