Jessica Kusina is valedictorian and **Lina Elsamaloty** is salutatorian.

Alum travels back from Hungary

Many alumnae will travel great distances to celebrate their special reunion at NDA in July. But **Ilona Szoke '00** has probably the farthest to go, returning to the States from Budapest, Hungary.

She was born in Hungary but lived in the States for about 15 years. She returned to her home

country after graduation and worked in the finance and human resources field. Ilona was personally affected by the global recession but is now working for a global diagnostics company as an International HR Associate.

Ilona can't wait to visit a NDA where she daily felt "the wonderful spirit and the kindness of my teachers."

And she misses Toledo. "It's sure one unique town incomparable to any other places I've been. The tradition, food, people and cultural differences are so individual. I am looking forward to seeing as many people attend the reunion as possible and to have a great time together just like in the old days, at least for one night!"
