## Have you changed another woman's life today?

**You can with a gift to the NDA Scholarship Fund!** We need your help now in supporting young women with scholarships. Each one is special; that's why she was selected. But we need your help to carry on *the tradition*.

*Could you please consider a gift of \$10, \$25, or \$100 to change a young woman's life?*

This year more families face obstacles in providing a Catholic education for their daughter - lost jobs, illness, medical bills, multiple daughters in Catholic education. Your alma mater has continued its mission to provide young women with an exceptional education permeated with Christian values.

***But we can't do it without your help.***

## Be a Founding Member to the St. Julie Billiart Scholarship

*Please think about being a Founding Member of the **St. Julie Billiart Scholarship Fund with a gift of \$250 or more.** This fund represents a special initiative to support those students from families who experience a disruption because of the economic downturn. *Picture a junior whose parents suffer a job loss or temporarily reduced work hours or wages and need some extra help. We all want that young lady to continue her NDA education -- especially at a time when she most needs the stability, support, and academic edge that we can provide.**

**These are the young women you will touch as a Founding Member of the St. Julie Billiart Scholarship Fund.** Imagine the gratitude and joy these young women would feel knowing someone like you invested in their future at this challenging time in their lives?

**Will you please consider becoming a Founding Member with a gift of \$250 -- about \$20 a month -- to help these young women?**

As a Founding Member you will be invited in the spring to meet some of the very special young women your gift is helping.

*If becoming a Founding Member is not possible, please reflect on a gift that is appropriate for you at this time -- \$100, \$50, \$25, or an amount that works for you. **Your participation is meaningful -- your gift will make a difference in a student's life.***

**“I came to NDA shy, timid and relatively unsure of myself. I am leaving as a strong, independent woman, ready to take on whatever the world has to offer.”** Maggie ‘09
